Copyright © 1997 Underwriters Laboratories Inc.

Underwriters Laboratories Inc. authorizes the above-named company to reproduce this Report provided it is reproduced in its entirety.

An independent organization working for a safer world with integrity, precision and knowledge.

CONCLUSION

Samples of the products covered by this report have been found to comply with the requirements for electrical fire, shock and mechanical hazards only, covering the class and the products are judged to be eligible for Classification and Follow-Up Service. The manufacturer is authorized to use the Laboratories' Classification Marking on such products which comply with Follow-Up Service Procedure and any other applicable requirements of Underwriters Laboratories Inc. Only those products which properly bear the Laboratories Classification marking are considered as Classified by Underwriters Laboratories Inc.
